1.	<p><u>Apologies</u> Cllr. M. Pearson & D. Findlay</p>	
2.	<p><u>Declarations of Interests</u> None</p>	
3.	<p><u>Minutes</u> Minutes of the Annual Parish Meeting held on 8 April 2014 were approved and signed by the Chairman as a true record.</p>	
4.	<p><u>Matters Arising</u> None. Artic wagons are not coming up the single track lane to Seaville now. Wolsty sign has still not been repaired. Sign at East Causewayhead has still not been changed. West Causewayhead – a lot of HGV’s use the road. Armstrong’s wagons still use the road and often at 6.00am in the morning. The Council have asked for a weight restriction. CTR is coming up again in the next 12 months, so write to the CCC again. Litter is a problem around the parish and it was questioned whether signs could be put up. A sign was put up for the MOT testing station but it was later removed.</p>	
5.	<p><u>Financial Report</u> The Clerk had prepared the Accounts for the Parish Council for the Year Ended 31 March 2015 which showed £1,758.29 in the bank. Hedge cutting was higher this year, as it includes two bills covering two separate years. Precept for 2015/16 is £2,000. The Accounts were agreed and signed by the Chairman.</p>	
6.	<p><u>Community Plan</u> Problem of dog fouling has improved – not as many dogs about. Michael has spoken to residents in Tanglewood which seems to have helped. Environment – Add solar panels to it – not in favour of development. There have been a lot of complaints about the solar panels at Aspatria. Social & Community - A Parish Projects group could be set up – add to plan. Constitution to be drawn up for the next meeting based on agreed aims. Tour of Britain cycle race is coming to Silloth in September.</p>	
7.	<p><u>Issues Raised</u> Light at Barracks Bridge has been out for 6 months – report to Cumbria Highways. Seaville crossroads – sign has split and spins in the wind which is an old cast iron sign. Hadrian’s wall signage is a waste because there is nothing to see – no sign at Seaville crossroads. Four letters of objection have been received re: Millers at Hangar 25 on the Airfield. Tractors and trailers are coming in un-sheeted, with white powder blowing everywhere. All trailers should be covered. Letter to be sent to CCC at Kendal. Police could take action as it is an unsecure load. Permission was allowed for 7am to 7pm but vehicles are often going in a 4am. Wagons from the fertiliser plant on the Airfield are also often not covered. White powder is being brought in, in tankers and blows off in clouds. Letters of complaint to be sent to CCC.</p>	

	<p>Main road to the crossroads at Seaville has a lot of potholes. Car parks at Wolsty Banks are in a terrible state with potholes – letter to be sent to ABC. Letter to Tony with details of what the Parish Council would like funding for. Pond needs tidied up which could be a project for the Parish Projects Group. It is currently an eyesore which the County Council uses to tip road planings etc The sewerage works is always smelling – report to United Utilities. Road on to the airfield is to be re-surfaced in the near future.</p>
